

# PMI University Offerings

## FLOWCHART

Do you offer a project management or related degree program that provides 480+ hours of project management study?

Yes

# GAC

Explore how the **Global Accreditation Center (GAC)** can promote the quality, credibility and visibility of your program.

Do you provide (or want to provide) skills-based project management training and certification prep?

Yes

# ATP

Become a PMI **Authorized Training Partner (ATP)** to equip you with the credentials and materials to deliver skills-based training.

Would you like to offer your degree-earning students access to exclusive project management tools, exam discounts and community?

Yes

Consider investing in **Group Student Membership** for your students.

No current PMI programs meet your needs at this time. Explore our free resources and sign up for our [Academic Network Newsletter](#) to watch for updates.
