

Prepare Your Students With PMI.

PMI offerings for universities are designed to boost employability and set your students up for success in project management careers. Enhance the reputation, offerings, and visibility of your programs with one or more of our solutions.

PMI Group Student Membership (GSM)

Help your students succeed as project professionals by giving them the career tools, exam discounts, and network to connect their ambitions to impact. Free faculty membership included.

For degree-granting programs only.

Become an Authorized Training Partner (ATP)

Do you provide (or want to provide) project management courses? Get official training, teaching materials, and support to help students earn certifications that prove their skills and boost their employability.

Apply for GAC Accreditation

Do you offer a project management or related degree program? Assure its quality and reputation while boosting visibility to prospective students and their future employers.
